ASSESSMENT AND AUDIT

The section numbers referred to in the Chapter pertain to CGST Act, unless otherwise specified.

LEARNING OUTCOMES

After reading this chapter, you shall be equipped to:

- understand and explain the different types of assessment which a registered person may be subjected to.
- describe the concept of self-assessment and provisional assessment.
- identify and appreciate the different types of audit which may be conducted against the registered person.
- gain knowledge pertaining to circumstances under which special audit can be conducted.
A supplier will come to know the extent of his tax liability which has to be discharged on a continuous and regular basis only after assessment. Assessment means determination of tax liability and includes self-assessment, re-assessment, provisional assessment, summary assessment and best judgment assessment.

GST is a trust based taxation regime wherein the assessee is required to self-assess his returns and determine tax liability without any intervention by the tax official. Therefore, a tax regime that relies on self-assessment has to put in place a robust audit mechanism to measure and ensure compliance of the provisions of law by the taxable person.

“Audit” has been defined in section 2(13) of the CGST Act, 2017 and it means the examination of records, returns and other documents maintained or furnished by the registered person under the GST Acts or the rules made there under or under any other law for the time being in force to verify the correctness of turnover declared, taxes paid, refund claimed and input tax credit availed, and to assess his compliance with the provisions of the GST Acts or the rules made thereunder.

Chapter XII – Assessment [Sections 59 to 64] and Chapter XIII - Audit [Section 65 & 66] of the CGST Act stipulates the provisions relating to assessment and audit respectively. State GST laws also prescribe identical provisions in relation to assessment and audit.

In GST, Section 59 is for self-assessment by assessee whereas section 60 stands for provisional assessment with both assessee and departmental officer playing their respective roles. Sections 61-64 give power to departmental officer for assessment in different situations. Section 65 and section 66 pertains to audit by tax authorities and by CA/CWA nominated by Commissioner respectively. However, before going through the detailed study of Assessment and Audit provisions, let us first go through few relevant definitions.
2. RELEVANT DEFINITIONS

- **Assessment** means determination of tax liability under this Act and includes self-assessment, re-assessment, provisional assessment, summary assessment and best judgment assessment. [Section 2(11)]

- **Audit** means the examination of records, returns and other documents maintained or furnished by the registered person under this Act or the rules made thereunder or under any other law for the time being in force to verify the correctness of turnover declared, taxes paid, refund claimed and input tax credit availed, and to assess his compliance with the provisions of this Act or the rules made thereunder. [Section 2(13)]

- **Chartered Accountant** means a chartered accountant as defined in clause (b) of sub-section (1) of section 2 of the Chartered Accountants Act, 1949; [Section 2(23)]

- **Cost Accountant** means a cost accountant as defined in clause (c) of sub-section (1) of section 2 of the Cost and Works Accountants Act, 1959; [Section 2(35)]

- **Prescribed** means prescribed by rules made under this Act on the recommendations of the Council. [Section 2(87)]

- **Proper Officer** in relation to any function to be performed under this Act, means the Commissioner or the officer of the central tax who is assigned that function by the Commissioner in the Board; [Section 2(91)]
3. **SELF ASSESSMENT [SECTION 59]**

Every person registered under the Act shall himself assess the tax payable by him for a tax period and after such assessment he shall file the return required under section 39.

4. **PROVISIONAL ASSESSMENT [SECTION 60]**

**Situations demanding Provisional Assessment**

Provisional assessment provides a method for determining the tax liability in case the correct tax liability cannot be determined at the time of supply. The major determinants of the tax liability are generally the applicable tax rate and the value. There might be situations when these determinants might not be readily ascertainable and may be subject to the outcome of a process that requires deliberation and time.

Where the taxable person is unable to determine —

(a) value of goods or services or both to be supplied by him; or

(b) the rate of tax applicable to the goods or services to be supplied by him,

he may furnish an application in prescribed form stating therein reasons for payment of tax on a provisional basis along with the documents in support of his request, electronically through the common portal, either directly or through a Facilitation Centre notified by the Commissioner.

The proper officer may, on receipt of the application, issue a notice in prescribed form requiring the registered person to furnish additional information or documents in support of his request and the applicant shall file a reply to the notice, and may appear in person before the said officer if he so desires.
The proper officer shall issue an order, allowing payment of tax on a provisional basis indicating -

(a) the value or the rate or both on the basis of which the assessment is to be allowed on a provisional basis, and

(b) the amount for which the bond is to be executed and security to be furnished not exceeding 25% of the amount covered under the bond.

**Furnish of Security**

The payment of tax on provisional basis may be allowed, if the taxable person executes a bond in the prescribed form along with a security in the form of a bank guarantee for an amount as the proper officer may deem fit, binding the taxable person for payment of the difference between the amount of tax as may be finally assessed and the amount of tax provisionally assessed.

A bond furnished to the proper officer under the Central/State Goods and Services Tax Act/Integrated Goods and Services Tax Act shall be deemed to be a bond furnished under the provisions of this Act and the rules made thereunder.

The term “amount” shall include the amount of integrated tax, central tax, State tax or Union territory tax and cess payable in respect of such transaction.

**Finalization of Provisional Assessment**

The final assessment order has to be passed by the proper officer within 6 months from the date of the communication of the order of provisional assessment. However, on sufficient cause being shown and for reasons to be recorded in writing, the above period of 6 months may be extended:

(a) by the Joint/Additional Commissioner for a further period not exceeding 6 months, and

(b) by the Commissioner for such further period as he may deem fit not exceeding 4 years

Thus, a provisional assessment can remain provisional for a maximum of 5 years.

For finalization of assessment, proper officer shall issue a notice in prescribed form, calling for such information and records, as may be required and shall issue a final assessment order specifying the amount payable by the registered person or the amount refundable, if any.
Where the tax liability as per the final assessment is higher than in provisional assessment i.e. tax becomes due consequent to order of final assessment, the registered person shall be liable to pay interest on tax due but not paid, at the rate specified under section 50(1) from the date the tax was due to be paid originally till the date of actual payment.

In simple words, in case any tax amount becomes payable subsequent to finalization of the provisional assessment, then interest at the specified rate will also be payable by the supplier from the first day after the due date of payment of the tax till the date of actual payment, whether such amount is paid before or after the issuance of order for final assessment.

Where the tax liability as per the final assessment is less than in provisional assessment i.e. tax becomes refundable consequent to the order of final assessment, the registered person shall be paid interest at the rate specified under section 56 from the date immediately after the expiry of 60 days from the date of receipt of application in accordance with the provisions of Section 54(1) till the date of refund of such tax.

In simple words, in case any tax amount becomes refundable subsequent to finalization of the provisional assessment, then interest (subject to the eligibility of refund and absence of unjust enrichment) at the specified rate will be payable to the supplier.

**Release of Security**

The applicant may file an application for release of security furnished after issue of final assessment order.

The proper officer shall release the security after ensuring that applicant has paid the amount specified in final assessment order and issue an order within a period of 7 working days from the date of receipt of the application.

**5. SCRUTINY OF RETURNS [SECTION 61]**

**Verifying the correctness of return**

The return furnished by a registered person may be selected for scrutiny by proper officer to verify its correctness. Where any return furnished by a registered person is selected for scrutiny, the proper officer shall scrutinize the same with reference to the information available with him.

- submit his explanation regarding non-acceptance of discrepancy within a period of 30 days of being informed by the proper officer or such further period as may be permitted by him.

Action by Proper Officer

In case no satisfactory explanation is furnished by registered person or where the registered person, after accepting the discrepancies, fails to take the corrective measure in his return for the month in which the discrepancy is accepted, the proper officer may take recourse to any of the following provisions, namely:
